## A Tall Story

- 1 Mr Tall was very tall. Every time he went out, he bumped his head into something. "Ouch!", cried Mr Tall, when he walked down the street and bumped his head on the highest branch of a tree. "Ouch!", he cried again two seconds later. When he arrived at the end of the street he had bumped his head exactly thirty times.
- 2 One day he decided to go and see a magician. "I feel very nervous", Mr Tall told the magician. "I don't like to be tall. I want to be small." The magician gave Mr Tall a magic potion in a bottle. "Take this potion and soon you'll be as tall as the other people", he said.
- 3 Mr Tall drank the potion - it tasted like strawberry. "Oooh! I think I'm getting smaller!" But no, he was getting taller! "What am I going to do?", cried Mr Tall who was now taller than the tallest tree in town. And he went to see the magician again.
- 4 "Ooops! I gave you the wrong potion", said the magician. Mr Tall was now so high that an aeroplane could fly between his legs... and his head was in the clouds. "If I grow taller my head will bump on the moon!" cried Mr Tall.
- 5 Suddenly he thought: "Why did I want to change? I was fine the way I was!" As if by magic, Mr Tall stopped growing. And slowly slowly he started to become shorter until he was back to his normal size. "You should never complain of what you are!" thought Mr Tall. "I'm not going to complain about my height again!" And he never did. Or if he did, he was so tall that the others didn't hear him.
